The Fall Specialties

by Art Stewart

Well we have another two specialties behind us. Overall I believe the shows went very well. With each new show site we learn a few things. I guess the biggest thing we learned is that we really don't want to be without heaters next year. It was a little cold on Sunday!

I would like to take this opportunity to thank all our exhibitors for their entry, the judges and the stewards for all their efforts and last but not least to the Show Committee and club members for all their support and help. The shows would not happen without everyone's help and support.

Congratulations to all the winners.

Future Meetings

The November meeting is **November 11th** at Susan Crane's house. **This is a new date!** Flyball demo will start at 12 Noon. Lunch will start about 1-1:30 depending on the amount of time we want to spend on questions and working with dogs. The meeting will follow.

Susan will cook a turkey. And the rest of the food will be as follows:

- A-N: Side dishes and salads
- O-Z: Dessert

Directions

Susan's address is 4701 SW 45th Avenue. Her phone number is (503) 244-1464.

From Beaverton-Hillsdale Highway turn at SW 45th and head north. Near B-H Highway the addresses on SW 45th are in the 5100's, and they decrease as you head up the hill (north) to 4701. My house is on the left side with numbers over the garage door and on a little sign in the front yard. The house is khaki with light green trim, steep driveway and several VERY tall fir trees in the yard. A few houses past (north) of mine is Hamilton Street with a school yard straight ahead. Diagonal parking is available on the right side of SW 45th, right before Hamilton. Another route is from Highway 26. At the Sylvan exit drive south on Scholls Ferry Road to Hamilton. Turn left on Hamilton and head east to SW 45th.

December Meeting

The December meeting will be on Sunday, December 9th at Elmers in Delta Park at 10 A.M. The meeting will include our Christmas gift exchange (\$10.00) and brunch.

You Didn't Ask, But...

by Dorie Crowe

Here's what I think:

Every exhibitor who drives a motorhome or RV to a dog show should have to work the parking at their local shows at least twice.

Every exhibitor who drives to a dog show and unloads tack, crates and dogs should have to work the unloading area at their local shows at least twice.

Every exhibitor who comes through the admittance gate at a dog show should have to work the gate at their local shows at least twice.

Every exhibitor who chooses to bathe, dry, scissor and/or clipper their dogs at a show should have to clean up the grooming area after their local shows at least twice.

Every exhibitor who roams the grounds or building with their dog should have to work pick-up at their local shows at least twice.

Every exhibitor who believes they should let their dog lift its leg anywhere it chooses should have to help break down the equipment at their local shows, and help clean up the boxes, barrels, flowers, etc., after their local shows at least twice.

Every exhibitor who complains about the stewards at a show should have to work as a steward at their local shows at least twice.

Every exhibitor who complains about their judging time should have to write a judging schedule at least twice (taking into account club requests, the 27 requests to be first in the eight rings, the 32 requests for an early time, short-nosed dogs, black-coated dogs, meetings and lunches, judges' planes, dogs that need much grooming versus dogs that need little grooming, separating the varieties, separating certain breeds, etc., etc.).

Every exhibitor who complains about a judging panel should have to work on the committee that chooses judges for their local shows at least twice. This does not mean choosing

judges that benefit you, but judges that will benefit the club with a good entry and benefit exhibitors with good judges, keeping within the club budget, working around all the various schedules and needs of the judges and needs and wants of members and friends.

Every exhibitor who complains about a substitute judge should have to try to find an approved judge who can take 175 dogs of different Groups who can be on the grounds by 8:30 on show morning. You should have to do this at least twice, once beginning at 4:30 p.m. on the day before the show and once beginning at 6:30 a.m. the morning of the show.

Every exhibitor who complains about a show grounds or show building should have to be part of the site committee of their local shows at least twice, once for an indoor show and once for an outdoor show, and be responsible for finding the ideal (or just plain adequate) site.

Every exhibitor who complains about the restrooms at an indoor facility should have to keep them supplied and clean during the show and then clean up that restroom at the end of the show, at least twice.

Every exhibitor who complains about a typo in their entry information or their ad should have to process entries or ads at least twice (taking into account the entry forms that have been chewed on by the dogs or crossed out one dog's info and adding another, been spilled on, etc., and the ads written in crayon on paper towels, no identification on the photos, etc.).

Every exhibitor who stays in a hotel/motel with their dog should have to clean the rooms of other exhibitors at least twice.

Every exhibitor who does actually work at their local shows, devoting their time exclusively to helping the club(s) should be thanked at least twice.

Thanks from David Flanagan

Dear Art,

I want to express my sincere thanks to all of the members of the Willamette Valley English Springer Spaniel Association for such a wonderful day — it was a great pleasure to be with you all!

The specialty was so well planned, and the hospitality first rate. What a friendly group! How nice to have all the dogs greeted with such generous applause — it showed sportsmanship we don't see often enough.

Please so express my thanks to my wonderful stewards and to my generous "chauffer" Ms. Callahan, but most of all to you.

Sincerely,
David
