## AKC Canine Experience

An AKC Canine Experience is a multi-club, multi-sport event that introduces and welcomes owners of newly AKC-registered puppies to and educates them about the sport of purebred dogs. The day-long event features educational presentations and provides an opportunity for potential owners to be mentored by experienced exhibitors and club members prior to an afternoon match, during which new exhibitors and future fanciers practice their newly learned skills.

In 2008 40 greater-Portland area specialty breed clubs and all breed clubs joined the AKC Canine Experience. Attendees participated in activities that included handling classes for both adults and children, grooming tips and demonstrations, presentations about dog show procedures, dog show entry assistance, equipment advice from an all-purpose dog show vendor, AKC Canine Good Citizen (CGC) evaluations, companion events (obedience, agility and rally) demonstrations and run-throughs, a PEC education booth with assorted AKC materials and a licensed dog show superintendent with information concerning dog shows in the area.

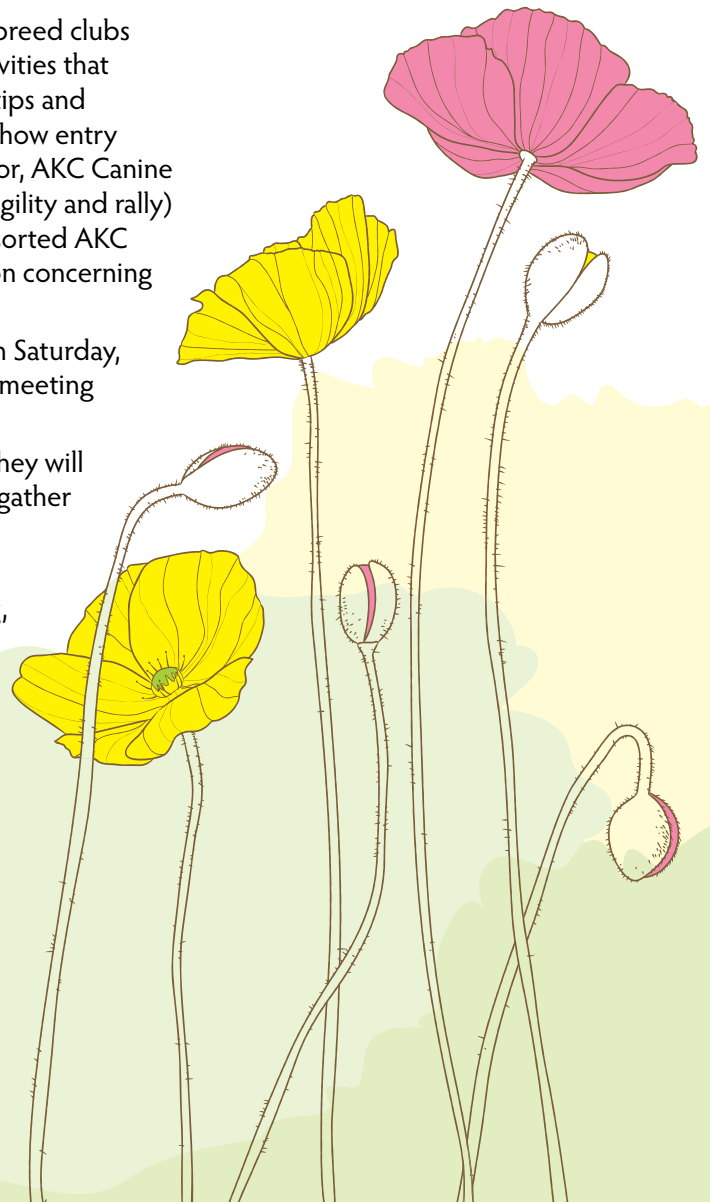

This year the AKC Canine Experience and Match will be held on Saturday, June 13th at Washington County Fairgrounds. The June WVSSA meeting will be held at noon at the fairgrounds also.

Please check in with Cathy & Ken English when you arrive and they will fill you in on what to do, where to go to sign in and where we will gather for our noon meeting.

If members want an individual certificate they need to sign up and work a 30 minute shift. Some of the duties include stewarding, welcoming exhibitors, helping new exhibitors, set up, tear down, helping with the sign in tables and parking duty.

If members want to come and be at our club meeting and participate in the match they will get a WVSSA club attendance point but no certificate.

Hope to see you on Saturday.

# There's History in your Closet!

What will happen to your pedigrees, photos, correspondence, medallions and books?

Will they be trashed?

By gifting your dog related records to the Canine Research Collection at Oregon State University, you'll keep them together and they'll be available for researchers of purebred dogs and the people who love and compete with them.

You can also help with this project by donating to the Canine Collection foundation.

For further information, here are two addresses: The Special Collections Department at OSU: <http://osulibrary.oregonstate.edu>. On left side, under Collections, click 'Special Collections'. When that page appears click 'Collections' again and scroll down.
